In consequence of the agreement entered into by the Reverend Jerome Allen, and the Landholders assembled in the preceding meeting, he Allen applied to his Grace the Lord Primate, in conformity with the Provision of the 4th and 5th of the King, for his assent to the said Agreement; and his Grace, taking the application into his consideration, was pleased to grant such assent by a special Deed under his hand and seal and dated the 21st day of March 1827.

Shortly after the date of this assent an application was made to his Excellency the Lord Lieutenant for his Excellency's Order for a special Meeting, to proceed in carrying into Execution the agreement of the above said Meeting, according to the Acts before mentioned, — and his Excellency issued his Order accordingly dated the 3rd of April 1827 —

Not being able to attend at the meeting I hereby affix my mark to the Resolutions which it passed at Hatch on the 30th Sept 1827

Patrick Brady
